FOUNDER - CHANCELLOR

(Deemed to be University), Pune, India

As the Chancellor of Bharati Vidyapeeth (Deemed to be University) I extend a very warm welcome to the students who are desirous of seeking admission in our different Constituent units.

Bharati Vidyapeeth, the parent organization of this University has recently celebrated its Golden Jubilee. Five decades ago Bharati Vidyapeeth initiated its academic journey with a single school. Now it is one of the premier educational institutions in the country, having under its umbrella more than 180 educational units including 80 colleges of 12 faculties. They include colleges of Medicine, Dentistry, Engineering, Pharmacy, Hotel Management and the like. There may not be any disciplines either conventional or emerging for which Bharati Vidyapeeth has not established its institution.

Within a short period of 20 years or so, Bharati Vidyapeeth (Deemed to be University) has established its academic reputation even across the national borders. Its high level of academic excellence is underscored by the fact that the Ministry of Human Resource Development, Government of India has given 'A' grade status to this University. The University's another remarkable achievement is that it has been re-accredited with

prestigious 'A+' grade by NAAC. An approval by the UGC under Section 12B of its Act which our University has received is another feather in the cap of the University.

We at this University are committed to offer our students a wide spectrum of academic options to choose from.

It has also been our endeavour to provide continuously updated education in a congenial environment to our students. I am very happy that a very large number of our past students have established their reputation as Medical Practitioners, Engineers, Pharmacy Industrialists and the like, not only at the national level but also at the international level. Research is a focal area of activities of our University. We have three Research Institutes as constituent units of University. They are doing remarkable work. Our aim is to develop this University ultimately as a Research University.

I again welcome you all and wish you a very successful academic career as students of this University.

## Vice Chancellor's Message

**Hon'ble Prof. Dr. Manikrao Salunkhe**

Vice Chancellor  
Bharati Vidyapeeth  
(Deemed to be University) Pune, India

It is a matter of immense pleasure for me to be a part of Bharati Vidyapeeth (Deemed to be University) family as its Vice Chancellor. I take this opportunity to welcome the new students joining the various courses of the university. The students moving away from the folds of their family and coming to a new place for education should feel that they are just moving away from one family fold to another. Their teachers, seniors and peers, all form an extended family from whom they can look up for any guidance, support and help to move ahead in life as professionals in the study programmes they have opted.

The Institute of Hotel Management and Catering Technology, Pune is a pioneer of hospitality education in private sector in the state of Maharashtra. The institute came into existence in 1992 with the aim of providing quality hospitality education to cater to the needs of professionals in the hospitality industry. We in our endeavour are trying our best to respond to the demands of the industry and develop professional manpower for managerial, supervisory as well as entry-level positions.

It is among the only few institutes in the country to provide hands-on experiential training to its students at its professionally managed Hospitality Training Centre. There is a strong collaboration with

the global hospitality industry and provides opportunities for international exposure by developing and managing partnerships with international agencies such as Global Entrepreneurship Monitor (GEMS), UK, Dice Holdings Inc. (DHI), USA and the like.

A number of participative activities such as annual food festival, competitions, guest lectures, demonstrations and social service activities provide a conducive learning environment for personal and professional development of the students. The multi disciplinary campus along with the serene environment and well developed ICT attributes provide a holistic approach.

As a student of Hotel Management and Catering Service, you are the torch bearers to carry forward the ancient tradition of food culture, with a blend of traditional as well as modern taste buds. I wish and assure you, on behalf of the University family, that we will help you pursue your objectives of life under the varied social, cultural and economic environment and make the University family proud of your attainments.

Prof. M.M. Salunkhe

## From the Principals Desk

I have the honour and privilege of working in this Institute since its inception in 1992 and be a part of the Silver jubilee celebrations held recently. The Institute was established by Dr. Patangrao Kadam, Founder of Bharati Vidyapeeth who cherished the dream of making this institute a centre of excellence in Hotel Management and Catering Technology. During last 25 years, I have committed myself to the task of realizing his dream.

I firmly believe in the objectives of our institute:

To offer students the opportunity to develop their practical, management and communication abilities and provide each individual student with the training know how for a successful career in the highly competitive Industry.

To develop the personality of a students as required by the hospitality industry.

To make students worthy citizen of the nation.

It has been my conviction that an excellent

education can be given to the students, only if excellent infrastructure facilities are created and carefully selected experienced student oriented teachers are there in the faculty. Over the years, we have developed both our staff and various laboratories, carefully updating the equipment periodically. Our Library is enriched with books and is continuously updated. The internet facility helps to browse through various e-journals which the college has subscribed. I am fortunate to have very competent and student-caring faculty on the roll of our institute, who are know for their expertise in different branches of hotel & Catering management.

I also believe that in the service industry, it is important to practice soft skills which include courtesy, etiquette and manners, develop one's personality and communication skills, and are disciplined, which is all included in the course along with academics. One must have the right attitude towards the service industry.

I am happy to record here that our efforts have paid ample dividends. Our students are well placed in the Hospitality Industry and the Hotels have recognized us as one of the good Hospitality training institutes on the right track.

**Dr. L.S.Chirmulay**  
Principal
