FOUNDER - CHANCELLOR

As the Chancellor of Bharati Vidyapeeth University I extend a very warm welcome to the students who are desirous of seeking admissions in our different Constituent units.

Bharati Vidyapeeth, the parent organization of this University has recently celebrated its Golden Jubilee. Five decades ago Bharati Vidyapeeth initiated its academic journey with a single school. Now it is one of the premier educational institutions in the country, having under its umbrella more than 180 educational units including 80 colleges of 12 faculties. They include colleges of Medicine, Dentistry, Engineering, Pharmacy, Hotel Management and the like. There may not be any disciplines either conventional or emerging for which Bharati Vidyapeeth has not established its institution.

Within a short period of 20 years or so, Bharati Vidyapeeth University has established its academic reputation even across the national borders. Its high level of academic excellence is underscored by the fact that the Ministry of Human Resource Development, Government of India has given 'A' grade status to this University. The University's another remarkable achievement is that it has been awarded a prestigious 'A' grade by the NAAC both in its first accreditation and also in

reaccreditation. An approval by the UGC under Section 12B of its Act which our University has received is another feather in the cap of the University.

We at this University are committed to offer our students a wide spectrum of academic options to choose from.

It has also been our endeavour to provide continuously updated education in a congenial environment to our students. I am very happy that a very large number of our past students have established their reputation as Medical Practitioners, Engineers, Pharmacy Industrialists and the like, not only at the national level but also at the international level. Research is a focal area of activities of our University. We have three Research Institutes as constituent units of University. They are doing remarkable work. Our aim is to develop this University ultimately as a Research University.

I again welcome you all and wish you a very successful academic career as students of this University.

Hon'ble Dr. Patangrao Kadam

Prof. Dr. Shivajirao Kadam

From the Principals Desk

It is my honour and privilege to be associated with this Institute since its inception in 1992. The Institute was established by Dr. Patangrao Kadam, Founder of Bharati Vidyapeeth who cherished the dream of making this institute a centre of excellence in Hotel Management and Catering Technology. During my tenure, I have committed myself to the task of realizing this dream.

I firmly believe in the objectives of our institute:

To offer students the opportunity to develop their practical, management and communication abilities and provide each individual student with the training know how for a successful career in the highly competitive Hospitality Industry.

To develop the personality of a students as required by the hospitality industry.

To make students worthy citizen of the nation.

It has been my conviction that an excellent education can be given to students, only if excellent infrastructure facilities are created and the institute has experienced, student oriented faculty. Over the years, the institute has progressed periodically; in term of faculty and infrastructure development. I am fortunate to have competent and student-caring teachers on the roll of our institute, with the requisite expertise and technical know-how in the different areas of hotel operations and management.

I also believe that in the service industry, it is important to practice courtesy and manners, develop one's personality and communication skills, and be disciplined, which is integral to the course along with academics. One must have the right attitude towards the service industry.

I am happy to record here that our efforts have paid ample dividends. Our students are well placed in the Industry and the Hotels have recognized us as one of the good training institutes on the right track.
